About your housemate

Meet Trent – a friendly, easy-going and likeable bloke who enjoys the simple things in life. He’s a big fan of football, loves firing up the BBQ, and makes the most of sunny days with plenty of outdoor activities. Trent is also a great conversationalist and always up for sitting down over a coffee and a good chat.

When the weather turns chilly or wet, you’ll often find Trent relaxing watching movies or gaming on his PlayStation, making the most of his downtime indoors. He’s a balanced mix of active and laid-back, which makes him a fantastic housemate to share a home with.
