Build your career with people who build real connections

The HCO difference

HCO is an independent and not-for-profit specialist disability service provider.

We're built on genuine connections with the people we support and our community.

Our highly skilled team works alongside people living with disability and their families to help them live their best life, the way they want.

Why work for us?

We recognise that our passionate, dedicated and skilled Staff are a key part of our organisation.

HCO is an employer of choice because we care about our staff and their career opportunities.

We are a progressive organisation that is continually growing and we are searching for more like-minded professionals to add to our team.

HCO is committed to:

- Equal opportunities and providing fulfilling employment for our Staff
- Providing comprehensive Staff development
- Providing opportunities for extended roles and responsibilities to enhance career development
- Consulting Staff on organisational change and quality service delivery.

Disability Support Workers

HCO is looking for Disability Support Workers to assist our growing number of Clients.

Our Disability Support Workers are highly valued members of our team and are integral to providing professional, Client-centred services.

HCO Staff work closely with Clients and their families to provide an environment that delivers a high quality of life, guided by their personal choices.

What we're looking for

HCO Staff value the diversity of individuals, thrive when working as part of a team and independently and are excellent communicators and record keepers.

They are committed to:

- Supporting Client's involvement in community activities and their skill acquisition to develop greater personal independence
- Upholding the organisation's values and high standards
- Ensuring compliance with workplace policies, procedures and processes
- Continual personal and organisational improvement.

Essential criteria

To join our team of exceptional Disability Support Workers, applicants will need the following:

- qualification at Certificate level 3 or higher in Disability or Community Services
- current Senior First Aid/CPR Certificate
- current valid driver's licence
- current RDNS Health Support Training Certificate
- current Manual Handling Certificate with use of lifters included
- completed NDIS Worker Orientation Module Certificate
- current DHS Child Related Employment Screening and NDIS Worker Screening.
